

Are you ready to be part of changing the way we build in North America? How would you like to live in British Columbia's South Okanagan while working for one of Western Canada's most innovative manufacturing companies?

Structurlam is at the forefront of the global resurgence in the structural use of wood and changing the way we build. This is your chance to play a key role in the movement to more sustainable construction by using the world's only renewable building material.

We currently have a full-time opportunity for an Industrial Electrician in our locations across the South Okanagan, in British Columbia (Penticton, Okanagan Falls and Oliver).

THE ROLE:

Reporting to the Maintenance Manager the successful candidate will possess previous experience in a manufacturing environment, knowledge in the woodworking industry, including finger-jointing and CNC equipment. The Industrial Electrician will work as part of a team to install, test, troubleshoot and repair electrical wiring, fixtures, control devices and related equipment in a manufacturing environment. This individual will have the ability to read and interpret drawings, blueprints, schematics and specifications in order to provide troubleshooting and repair services. The Industrial Electrician will also routinely perform preventative maintenance on all equipment and components in order to ensure the continued safe, efficient and effective operations of all equipment and fixtures utilized by the organization. Shift work, including weekends will be required.

WHAT YOU BRING:

- Commitment to working safely coupled with strong communication & interpersonal skills
- Red-Seal journeyman certification.
- Minimum 5 years' Industrial Electrician experience required with preference given to those with a background in a manufacturing environment.
- Able to work both independently and in a team environment
- Strong problem-solving skills
- A desire to continuously grow and develop your operational knowledge and leadership capabilities by participating in professional development opportunities
- Alignment with Structurlam's values of safety, teamwork, agility, sustainability, and innovation.
- Reliable transportation

WHAT WE OFFER:

- An unwavering commitment to your personal safety
- Competitive pay and exceptional benefits
- Training and development to ensure you work successfully and safely
- The opportunity to work with the best and brightest in the industry
- Diverse opportunities to grow within the organization
- An open, innovative culture along with a positive, dynamic work environment

If this is an opportunity that is of interest to you, please forward your resume to:

hr@structurlam.com

You will have the chance to live and play where you work. If you enjoy fresh air and outdoor activities, this is one of the best places to live in North America.
